Hey Sonja, can I call you in the next couple of minutes? I know your day is almost over (lucky girl!) Thanks.

I'm planning on leaving work around 3 today and I'll be at work all day tomorrow (7-3), so when ever works best for you is fine. I haven't copied all my notes for the case yet, so I'll need a few minutes to do that, bit I should be done with that and lunch by 1-1:30 this afternoon.

Hey Sonja, how are you? Hope all is well. I was wondering if you had time either later this afternoon or tomorrow to discuss your testimony on this case. Lab #s were [REDACTED]. I am still trying to get defense counsel to stipulate, but so far have had no luck. Thanks!
